Allergen Alert

If your product contains any one of the major food allergens (milk, egg, fish and crustaceans, wheat, peanuts, soybeans, tree nuts), it must be listed by its common name in the ingredient statement by either:

- (1) List specific allergen by its name in the ingredient list.
i.e. instead of listing an ingredient as cream, list it as cream (milk) within the ingredient statement

Or

- (2) Place a CONTAINS: statement below the ingredient statement.
i.e. if cream is included in the ingredient list, after the complete ingredient list, state the following:
Contains: Milk
