

# Do You Want to Help Save A Life?

## Donate to Project DAWN

### What is Project DAWN?

Project DAWN is a community-based overdose education and naloxone (Narcan®) distribution program. Project DAWN participants receive training on:

- Recognizing the signs and symptoms of an overdose
- Distinguishing between different types of overdoses
- Performing rescue breathing
- Calling emergency medical services
- Administering intranasal naloxone (Narcan®)
