**Current Situation**

- Lake County General Health District (LCGHD) is currently managing 43 COVID-19 cases.

**Critical Issue(s)**

- LCGHD does not have medical/other supplies for distribution.

**Health District Updates**

- Ron Graham met with Lake County Fire Chiefs, Lake County Emergency Management Agency (LCEMA) and Ashtabula County Health Department about COVID-19 issues.

Governor DeWine’s press conference of March 30, 2020 relayed the following information:

- The United States Food and Drug Administration has approved the Battelle Critical Care Decontamination System for N95 masks.
- Coronavirus.ohio.gov contains materials in Spanish, Chinese, and Somali. Materials in Arabic are forthcoming. Ohiochannel.org also offers subtitles in different languages of recorded press conferences.
- Hospitals are requested to send their COVID-19 test samples to a neighboring hospital that does quick testing or to Ohio Department of Health Laboratories for more prompt service.
- School buildings will continue to be closed until May 1, 2020, at which time the situation will be re-evaluated.
- Ohio Department of Rehabilitation and Correction prisons are making personal protective equipment (PPE), including hospital gowns, hospital masks, face shields, and hand sanitizer.
- Governor DeWine is asking communities to include the support of homeless shelters in their planning. Questions should be directed to covid19housing@mha.ohio.gov.

**Planned Activities (next 24 – 72 hours)**

- Establish standards/protocol for release of Lake County COVID-19 case data.
- Finalize compliance enforcement procedures for the Stay At Home order.
- Train additional staff on contact tracing call follow-up.
- Provide a COVID-19 update to Hispanos Organizados de Lake y Ashtabula.
- Collaborate with LCEMA, Lake County Commissioners, Lake County Central Purchasing, and Lake County Buildings and Grounds to receive a third push of personal protective equipment from the Strategic National Stockpile (SNS).
