The following reports on activities for the period shown:

### Current Situation
- Lake County General Health District (LCGHD) is currently managing nine COVID-19 cases.

### Critical Issue(s)
- LCGHD does not have medical/other supplies for distribution.

### Health District Updates
- LCGHD has been working with Lake County Emergency Management Agency, Lake County Central Purchasing, and the Lake County Commissioners to prepare for its first receipt of materials from the Strategic National Stockpile (SNS). Currently, materials that will be received are much less than what Lake County requested, due to the international shortage of available materials.
- LCGHD participated on a conference call with Homeland Security. The national biosurveillance program with operations in Lake County will continue at this time.
- Victoria Place will be closed to the public, but WIC clients assigned to that location will continue to have access to the building. Breastfeeding Peers are now working with clients virtually.
- The Wickliffe Family Resource Center is distributing care packages with food and hygiene kits, along with lesson plans to Wickliffe students without computers.
- LCGHD has been receiving many complaints that employers are not adhering to guidance and recommendations on social distancing and cleaning/sanitization.

Governor DeWine’s press conferences of March 23, 2020 relayed the following information:
- Workers who are healthcare, Safety, and Essential staff are eligible for pandemic child care. For more information, visit: [http://jfs.ohio.gov/cdc/CoronavirusAndChildcareForFamilies/](http://jfs.ohio.gov/cdc/CoronavirusAndChildcareForFamilies/)
- A hiring freeze has been ordered for Ohio state government.
- A freeze has been ordered on Ohio state employee travel.
- Ohio agencies have been ordered to cut unnecessary spending up to 20 percent for the remainder of the fiscal year and next fiscal year.

### Public Information:
- The LCGHD website has been updated to include Spanish language materials and an Update Archive page.

### Planned Activities (next 24 – 72 hours)
- Establish a formal mechanism for receiving and responding to complaints related to the Stay At Home Order.
Our Mission: *Working to prevent disease, promote health, and protect our community*

- Educate food service operators on COVID-19 best-practices regarding carry-out, etc.
- Participate in an educational conference call with Hispanos Organizados de Lake y Ashtabula (HOLA).
