The following reports on activities for the period shown:

### Current Situation
- Lake County General Health District (LCGHD) is currently managing 12 COVID-19 cases.

### Critical Issue(s)
- LCGHD does not have medical/other supplies for distribution.
- LCGHD received a request for supplies from Elara Caring.

### Health District Updates
- Ron Graham provided COVID-19 information to Mayors and City Managers.
- Ron Graham researched and consulted with Lake County Commissioners and Lake County Prosecutor’s Office regarding the Ohio Stay At Home Order.
- LCGHD participated in an educational conference call with Hispanos Organizados de Lake y Ashtabula (HOLA) on COVID-19.
- WIC has collecting information about Lake County transportation and the amount of formula stocked at stores in Lake County at the request of Ohio WIC.

Governor DeWine’s press conferences of March 24, 2020 relayed the following information:

- Governor DeWine’s team has reached out to well-known Ohioans to ask them to record messages letting their followers know we are #InThisTogetherOhio and to #StayHomeOhio to help #FlattenTheCurve of the #COVID19 pandemic (see [Governor Mike DeWine Facebook Page](https://www.facebook.com/mikedewine/)).
- InnovateOhio is working with professionals from the private sector on a modeling project to project how the COVID-19 pandemic will spread.
- Dentists, veterinarians, and private businesses are being asked to conserve their PPE to share with First Responders.
- Hospitals are currently at about 60% capacity after stopping elective surgeries.
- The Stay at Home Order can be found on coronavirus.ohio.gov. There is Homeland Security guidance included. All are asked to follow the language and use good judgement when interpreting the order.

Our Mission: *Working to prevent disease, promote health, and protect our community*
- Businesses should not call Law Enforcement or the local health department for an interpretation of the Order.
- Businesses do not need a letter or certification to show they are in compliance with the Order, but they should have a rationale regarding how the Order applies to them.

**Planned Activities (next 24 – 72 hours)**
- Create social media slides on Stay at Home Order FAQs and other trending FAQs
- Exploration of an Enforcement policy for businesses pertaining to the Stay At Home Order.
- Interface with local mental health professionals for collaboration in mental health messaging during the COVID-19 pandemic.
- Develop a process for receiving and acknowledging non-PPE donations.
