Situation Report #8

Incident COVID-19: 15

Operational Period Dates: 3/25-26/2020
Times: 0800-0800

Reporting Unit Planning/Public Information

Form 04/09 ICS-209 Short/Modified

The following reports on activities for the period shown:

Current Situation
- Lake County General Health District (LCGHD) is currently managing 15 COVID-19 cases.

Critical Issue(s)
- LCGHD does not have medical/other supplies for distribution.
- LCGHD received a supplies request from Windsor Laurelwood Center for Behavioral Medicine.

Health District Updates
- Complaints regarding a business violation of the Stay At Home Order may be submitted anonymously to LCGHD at COVID19@lcghd.org or by calling 440-350-2188.
- LCGHD provided educational materials to food service operators on COVID-19 best-practices regarding carry-out, drive-through, etc.
- LCGHD has developed a process for receiving and acknowledging non-PPE donations.
- LCGHD participated in a conference call with the Cuyahoga County COVID-19 Joint Information Center.

Governor DeWine’s press conference of March 25, 2020 relayed the following information:
- More than 20% of individuals with COVID-19 are hospitalized, and 11% require intensive care.
- U.S. Department of Transportation has cut red tape related to obtaining and renewing CDL’s and other licenses that are vital to the efficient movement of essential goods across Ohio and the country.
- It is recommended for businesses to create a document with a rationale of why they have deemed themselves essential and outline how you maintain a safe work environment.

Planned Activities (next 24 – 72 hours)
- Create social media slides on Stay at Home Order FAQs and other trending FAQs
- Create enforcement policy for businesses pertaining to the Stay At Home Order.
- Interface with local mental health professionals for collaboration in mental health messaging during the COVID-19 pandemic.
- Collaborate with Lake County Emergency Management Agency and Lake County Central Purchasing to receive material from the Strategic National Stockpile.

Additional Information
- Interim Guidance for Outpatient Hemodialysis Facilities
- Resources for Hospitals and Healthcare Professionals Preparing for Patients with Suspected or Confirmed COVID-19
