# Situation Report #9

## Incident COVID-19
- **Operational Period Dates:** 3/26 - 27/2020
- **Times:** 0800-0800

## Reporting Unit
- Planning/ Public Information

## Form 04/09
- ICS-209 Short/Modified

---

**Current Situation**
- Lake County General Health District (LCGHD) is currently managing 20 COVID-19 cases.

**Critical Issue(s)**
- LCGHD does not have medical/other supplies for distribution.

**Health District Updates**
- Ron Graham met with mayors and city managers.
- Met with Lake county officials to notify and discuss how law enforcement will be involved in enforcing the Stay At Home Order.
- Ron Graham has been scheduled for an interview on 93.7 Cougar Radio.
- A Stay At Home and other frequently asked questions social media campaign will begin on March 27, 2020.

Governor DeWine’s press conference of March 25, 2020 relayed the following information:
- A bill was passed by the legislature that relieves the courts’ requirement to hear criminal, civil, and administrative cases in a certain period of time.
- Ohio is working on an expansion of hospital capacity to prepare the infrastructure.
- To make donations, email together@governor.ohio.gov.
- A new interactive feature has been created on coronavirus.ohio.gov to see more about county-level demographics.
- At the time of this Situation Report, there are 92 ICU admissions, with the patient age range being 23-92.
- Visit vote.ohio.gov to request your absentee ballot and find more information on the election process. If you cannot print or acquire an absentee ballot, call the Lake County Board of Elections and they will mail you one.
- Based on the best data we have currently in Ohio, at the COVID-19 peak surge, we could be seeing 6,000 to 8,000 new cases per day. The more we can push that surge off, the better hospitals can prepare their systems.

**Planned Activities (next 24 – 72 hours)**
- Complete training of LCGHD inspection staff on the procedure for enforcement of the Stay At Home Order by Lake County Prosecutor’s Office.
- Begin enforcement of the Stay At Home Order with Lake County businesses.

---

**Our Mission:** Working to prevent disease, promote health, and protect our community
- Collaborate with Lake County Emergency Management Agency and Lake County Central Purchasing to receive material from the Strategic National Stockpile.

### Additional Information
- **Guidance on Preparing Workplaces for COVID-19**
- **Strategies for Optimizing the Supply of Facemasks**
- **Alternative Care Site**
- **Interim Guidance for Businesses and Employers to Plan and Respond to COVID-19**
