The following reports on activities for the period shown:

Current Situation

- Lake County General Health District (LCGHD) is currently managing 87 COVID-19 cases.

Critical Issue(s)

- LCGHD does not have medical/other supplies for distribution.

Health District Updates

- Lake County General Health District continues to enforce the Stay At Home Order, operate the Lake County COVID-19 hotline (440-350-2188), and perform contact tracing.
- Ron Graham met with the Lake County Fire Chiefs to discuss return to work testing protocol and Lake Hospital System to discuss hospital surge capacity.
- Spanish-language COVID-19 information was sent to all registered migrant worker housing. Three locations are in the process of being registered.
- LCGHD has received 610 complaints to date regarding local business compliance to the Stay At Home Order, with 260 complaints being received since March 30, 2020.

Governor DeWine’s press conference of April 6, 2020 relayed the following information:

- At midnight on April 6, 2020, the new Stay At Home Order will begin. New requirements for retailers includes determining a maximum number of customers permitted in a store to account for proper social distancing. This number must be physically posted.
- After visiting various locations, the following sites have been selected to expand the capacity of major hospitals and health systems in Ohio: 1) Seagate Convention Center (Lucas County), 2) Case Western Reserve University’s Health Education Campus (Cuyahoga County), 3) Dayton Convention Center (Montgomery County), 4) Covelli Convention Center (Mahoning County), 5) Duke Energy Convention Center (Hamilton County), and 6) Greater Columbus Convention Center (Franklin County). The Assessment of other sites will continue.
- Healthcare systems in southern and southeastern Ohio have determined that existing hospital facilities in their areas will be able to handle the surge of patients without going to an off-site location, with additional equipment.
- A team has been composed to assure there is enough PPE and other items for testing for the healthcare system.
- Seven inmates at Elkton Federal Correctional Institution in Columbiana County have tested positive for COVID-19 and three have died. There are many more with symptoms.

Our Mission: Working to prevent disease, promote health, and protect our community
• The Governor has authorized the Ohio National Guard to go to Elkton Federal Correctional Institution to assist in the infirmary for seven to 10 days for a medical mission only until more federal help arrives.
• In the Ohio prison system, five inmates have tested positive for COVID-19 in Marion and Pickaway Counties, each. Twenty-seven prison staff have tested positive for COVID-19 at four facilities.
• Snowbirds and others coming back to Ohio should self-quarantine for 14 days.
• Ohio Department of Transportation is working with mobile food vendors to set-up and provide options for hot meals for truckers.
• The dispute resolution commission goes into effect at midnight on April 6, 2020. For details, visit coronavirus.ohio.gov/businesshelp. Deliberation will be made public with an expected 24-hour turnaround time.
• All business-owners are asked to start thinking/planning now about how they will continue to promote a safe workplace in the future.
• There are positive COVID-19 cases in 81 of the 88 counties in Ohio.
• Ohio Department of Health will begin to provide COVID-19 recovery information on their website.
• 48,000 COVID-19 tests have been administered in Ohio.
