The following reports on activities for the period shown:

**Current Situation**
- Lake County General Health District (LCGHD) is currently managing 93 COVID-19 cases. There have been five deaths in Lake County as the result of COVID-19 infection.

**Critical Issue(s)**
- LCGHD does not have medical/other supplies for distribution.

**Health District Updates**
- Lake County General Health District continues to enforce the Stay At Home Order, operate the Lake County COVID-19 hotline (440-350-2188), and perform contact tracing.
- LCGHD has received 665 complaints to date regarding local business compliance to the Stay At Home Order, with 331 complaints being received since March 30, 2020.
- Ron Graham met with Mayors and Managers to provide an update on business compliance, as well as local, state, and federal COVID-19 guidance.
- Ron Graham contacted the Lake County Commissioners and Congressman Dave Joyce regarding potential vaccination delivery systems and Points of Dispensing (PODs).

Governor DeWine’s press conference of April 7, 2020 relayed the following information:
- Ohio Department of Job and Family Services announced that Ohioans enrolled in the Supplemental Nutrition Assistance Program (SNAP) who have not already received the maximum allotment for their household size in March will be issued an additional payment beginning this week.
- All SNAP-eligible households will soon be able to pick up a pre-packaged box of food at their local food bank.
- The Ohio Liquor Control Commission passed an emergency rule to allow establishments with an existing on-premises liquor permit to provide alcohol, including high-proof liquor, in limited quality for off-premises consumption. Patrons can purchase two pre-packaged alcoholic beverages per meal. All beverages must be temporarily sealed, and remain sealed during transport.
- There are 141 inmates who qualify for emergency release under Ohio’s Overcrowding Emergency Statute and have a release date on or before July 13, 2020.
Our Mission: *Working to prevent disease, promote health, and protect our community*

- Lt. Governor Husted announced the creation of the Office of Small Business Relief to identify ways to provide support to Ohio’s small businesses. More information can be found at coronavirus.ohio.gov/business help.
- There are 829 persons working on the unemployment system and they have increased their server capacity. Benefits will be backdated to the point when an applicant was initially eligible.

**Planned Activities (next 24 – 72 hours)**

- Meet with Point of Dispensing (POD) Supervisors to discuss planning safety considerations for mass vaccination clinics.
- Meet with Ohio Department of Health’s Bureau of Health Preparedness to determine if Lake County General Health District can receive credit for the future Cities Readiness Initiative grant requirement to plan and execute a pandemic influenza Full-Scale Exercise through our COVID-19 response operations.
