The following reports on activities for the period shown:

**Current Situation**
- Lake County General Health District (LCGHD) is currently managing 97 COVID-19 cases. There have been five deaths in Lake County as the result of COVID-19 infection.

**Critical Issue(s)**
- LCGHD does not have medical/other supplies for distribution.

**Health District Updates**
- LCGHD continues to enforce the Stay At Home Order, operate the Lake County COVID-19 hotline (440-350-2188), and perform contact tracing.
- LCGHD has received 683 complaints to date regarding local business compliance to the Stay At Home Order, with 371 complaints being received since March 30, 2020.
- Ron Graham met with Mayors and Managers to provide an update on business compliance, as well as local, state, and federal COVID-19 guidance.
- Ron Graham talked to Ohio Department of Health about business compliance and the Dispute Board regarding pet groomers being non-essential.
- The first Lake County COVID-19 Data report was issued.

Governor DeWine’s press conference of April 8, 2020 relayed the following information:
- A 55-year old male Marion Correctional Institution employee has died due to complications from COVID-19.
- Battelle currently has the ability to sterilize 160,000 N95 masks per day. A public plea was made by Governor DeWine to avoid disposal of used N95 masks, and to instead send them to Battelle for sterilization.
- April is Child Abuse Prevention Month; if you suspect child abuse or neglect, please call 855-OH-CHILD.
- Apple has donated 100,000 N95 masks to Ohio healthcare workers, the latter of which will be distributed to healthcare workers by the Ohio Department of Health.
- The Ohio Bureau of Workers Compensation will be distributing up to $1.4 billion in dividends to private Ohio employers this spring to ease the economic impact that COVID-19 has created. Similarly, upwards of $200 million will be distributed to local government.

**Our Mission:**  Working to prevent disease, promote health, and protect our community
• By the end of this week, the Ohio Department of Job and Family Services (ODJFS) will have 1,000 employees staffing the ODJFS call line.
• There are currently 33,641 jobs from 478 employers posted at coronavirus.ohio.gov/jobsearch.

### Planned Activities (next 24 – 72 hours)
- Meet with Point of Dispensing (POD) Supervisors to discuss planning safety considerations for mass vaccination clinics.
- Meet with Ohio Department of Health’s Bureau of Health Preparedness to determine if Lake County General Health District can receive credit for the future Cities Readiness Initiative grant requirement to plan and execute a pandemic influenza Full-Scale Exercise through our COVID-19 response operations.
