Situation Report #51 Incident COVID-19 Operational Period Dates: 5/26 - 5/27/2020 Times: 0800-0800 Reporting Unit Planning/ Public Information Form 04/09 ICS-209 Short/Modified

The following reports on activities for the period shown:

Current Situation
- Cumulative daily count: cases – 282; hospitalizations – 67; deaths – 12 (current status. Definitive cause of death can take weeks to determine.)

Health District Updates
- Starting today, May 27, 2020, Lake County General Health District (LCGHD) situation reports will be issued on Wednesdays and Fridays only. LCGHD may issue additional situation reports should there be new developments warranting communication with its partners.
- LCGHD operates the Lake County COVID-19 hotline (440-350-2188) and covid19@lcghd.org email inbox, and performs seven day per week contact tracing activities.
- Business owners may submit their questions about reopening to LCGHD at https://www.lcghd.org/2019-novel-coronavirus-ncov/. Business owners may expect a response within 48 hours of submission.
- LCGHD collaborated with Lake County Emergency Management Agency, and Lake County Buildings and Grounds to receive personal protective equipment (PPE) from the Strategic National Stockpile for distribution to occupational groups, as adapted by the Ohio Department of Health from CDC’s Interim Updated Planning Guidance on Allocating and Targeting Pandemic Influenza Vaccine during an Influenza Pandemic. These occupational groups include:
  - Hospitals
  - Healthcare workers
  - EMS/Local Fire Departments
  - Local Law Enforcement
  - Long Term Care Facilities
- LCGHD met with school transportation directors to review procedures for summer programming and the next school year.
- LCGHD met with Educational Service Center of the Western Reserve to discuss the next school.
- LCGHD and EMA provided an update to Lake County elected officials.
- LCGHD provided guidance to Concord Township, Lake County Board of Developmental Disabilities, & Lake County Council on Aging.
- LCGHD staff spoke with Fox 8 regarding enforcement activity and contact tracing.
Governor Mike DeWine’s press conference of May 26, 2020, relayed the following information:

- Testing in nursing homes
  - Focusing on hotspots
    - Represent a large proportion of COVID-19 deaths thus far
    - New plan beginning this week utilizing the National Guard
      - Congregate Care Unified Response Teams
      - Starting with nursing homes that have experienced COVID-19 cases
      - Of the 960 nursing homes across the state, approximately 200 facilities have experienced COVID-19 cases
      - Goal is to have all nursing homes tested
    - Ramping up local health department capability
  - Testing of all staff and residents of developmental centers will begin this week

**Planned Activities (next 24 – 72 hours)**

- Commence contact tracing training with interns/contract staff.
