**Times:** 0800-0800

The following reports on activities for the period shown:

### Current Situation
- Cumulative daily count: cases – 320; hospitalizations – 71; deaths – 12 (current status. Definitive cause of death can take weeks to determine.)

### Health District Updates
- LCGHD operates the Lake County COVID-19 hotline (440-350-2188) and covid19@lcghd.org email inbox, and performs seven day per week contact tracing activities.
- Business owners may submit their questions about reopening to LCGHD at https://www.lcghd.org/2019-novel-coronavirus-ncov/. Business owners may expect a response within 48 hours of submission.
- LCGHD has received 1,224 complaints to date regarding local business compliance to government orders.
- LCGHD attended the Mayors and City Managers and Educational Service Center of the Western Reserve meetings.
- LCGHD collaborated with Lake County Emergency Management Agency, and Lake County Buildings and Grounds to receive personal protective equipment (PPE) from the Strategic National Stockpile for distribution to occupational groups, as adapted by the Ohio Department of Health from CDC’s Interim Updated Planning Guidance on Allocating and Targeting Pandemic Influenza Vaccine during an Influenza Pandemic. These occupational groups include:
  - Hospitals
  - Healthcare workers
  - EMS/Local Fire Departments
  - Local Law Enforcement
  - Long Term Care Facilities

In a news release, Governor Mike DeWine announced that the following entertainment venues may open on June 10 if they are able to follow Consumer, Retail, Service & Entertainment Guidelines and other applicable additional guidance.
- Aquariums
- Art galleries
- Country clubs
- Ice skating rinks

Daily ODH-Reported Cases in Lake County

- Total Cases
- New Cases
- % Increase in Total Cases

Date

Issued: June 5, 2020
Daily ODH-Reported Cases in Ohio

Number of Cases (n)

Date

Issued: June 5, 2020
For the purpose of this report, weeks run from Sunday through Saturday. The dates presented are Saturdays, and reflect the number of cases reported starting the previous Sunday and ending on the Saturday date shown. The number of cases indicated reflect the number of positive tests or probable case diagnoses reported to the Lake County General Health District (LCGHD) per CDC case definitions, classified by date reported. Please note numbers for the week of 5/31 – 6/6 are still pending and not included at this time.

Issued: June 5, 2020
New Cases of COVID-19 by Week of Symptom Onset*
Among Lake County Residents

*Excludes 30 cases for which symptom onset date is unknown.

As above, the dates presented are Saturdays, and reflect the number of cases with new symptoms presenting during the prior week and ending on the Saturday date shown. The number of cases presented reflect the number of positive tests or probable cases classified by date on which the patient reported first experiencing COVID-19 symptoms, as opposed to date the test result or diagnosis was reported to LCGHD. Please note, numbers for the week of 5/31- 6/6 are still pending and not included at this time. Numbers will continue to update as additional cases are identified. (New cases are regularly reported with symptom onset dates several weeks or more in the past.)

Issued: June 5, 2020
