Situation Report #53  Incident COVID-19  Operational Period Dates: 5/29 - 6/3/2020  Times: 0800-0800  Reporting Unit Planning/Public Information  Form 04/09 ICS-209 Short/Modified

The following reports on activities for the period shown:

Current Situation
- Cumulative daily count: cases – 309; hospitalizations – 69; deaths – 12 (current status. Definitive cause of death can take weeks to determine.)

Health District Updates
- LCGHD operates the Lake County COVID-19 hotline (440-350-2188) and covid19@lcghd.org email inbox, and performs seven day per week contact tracing activities.
- Business owners may submit their questions about reopening to LCGHD at https://www.lcghd.org/2019-novel-coronavirus-ncov/. Business owners may expect a response within 48 hours of submission.
- LCGHD has received 1,220 complaints to date regarding local business compliance to government orders.
- LCGHD attended the Mayors and City Managers meeting.
- LCGHD consulted with Remarkable Lake County.
- LCGHD collaborated with Lake County Emergency Management Agency, and Lake County Buildings and Grounds to receive personal protective equipment (PPE) from the Strategic National Stockpile for distribution to occupational groups, as adapted by the Ohio Department of Health from CDC’s Interim Updated Planning Guidance on Allocating and Targeting Pandemic Influenza Vaccine during an Influenza Pandemic. These occupational groups include:
  - Hospitals
  - Healthcare workers
  - EMS/Local Fire Departments
  - Local Law Enforcement
  - Long Term Care Facilities

Governor Mike DeWine’s press conference of June 2, 2020, relayed the following information:
- The date for starting school is solely within the power of the local school boards, and that will continue to be the case.
- Healthcare providers may resume all surgeries and procedures that had previously been delayed according to the following guidelines:
  - Maintain adequate inventories of PPE, supplies, equipment and medicine;

Our Mission: Working to prevent disease, promote health, and protect our community
Our Mission: Working to prevent disease, promote health, and protect our community

- Create a plan for conservation and monitoring use of PPE, other supplies, and equipment. This could include decontamination and reuse;
- Maintain a reliable supply chain to support their non-COVID-19 cases, and to respond to an unexpected surge in COVID-19 cases, if needed;
- Define processes for timely COVID-19 testing of patients and staff; and
- Continue to use telemedicine where possible.

Updates were provided about the involvement of the Ohio State Highway Patrol on their efforts to ensure the safety of those who are peacefully demonstrating, as well as a new mission of the National Guard to protect Washington, D.C. and Ohio.

Governor DeWine will be reaching out to the General Assembly to work on disparity issues across Ohio.

As a reminder, there are 29,857 job postings from 289 unique companies on the coronavirus.ohio.gov/jobsearch site.

The Ohio PPE Retooling and Reshoring Grant Program will help small and medium-sized manufacturers to retool existing facilities to make PPE, or reshore PPE production to Ohio.

- Twenty million dollars will be dedicated to this program.
- Eligible manufacturers could be awarded grants up to $500,000 per facility.
- Up to 20% of available funding may be reserved for manufacturers with fewer than 25 employees and registered nonprofits.

The creation of the Ohio Micro-Enterprise Grant Program was announced.

- This initiative will help small minority- and women-owned businesses through the current crisis and set them up to thrive in the future.
- Each qualifying business would receive $10,000 until funding runs out.
- Grants will be awarded on a first-come, first-served basis.
- The program could fund up to 500 companies.

The creation of the Appalachian Growth Capital Loan Program was announced.

- The Ohio Development Services Agency and the Governor’s Office of Appalachia will provide $10 million to help small businesses in Ohio’s Appalachian region.
- The new loan program will help small businesses affected by the COVID-19 pandemic in the 32-county Appalachian region in Ohio.
- The program will offer loans to small businesses for up to $500,000 at two percent interest.

The Pandemic – Electronic Benefits Transfer (P-EBT) Program is additional money for families to buy food due to COVID-19 related school closures. For more information, visit http://ohiopebt.org/

- Eligible Ohio families will receive $5.70 per child for each day a school was closed due to COVID-19.
- Children eligible for free and reduced-price meals as of March will receive a total of $302.10.
- Children that became eligible for free and reduced-price meals in April will receive $239.40.
- Use P-EBT as well as grab-and-go meal sites to meet your children’s food needs.
- Using P-EBT does NOT impact you or your child’s immigration status. The public charge rule does NOT apply to P-EBT funds.

Planned Activities (next 24 – 72 hours)

- LCGHD will collaborate with Lake County Emergency Management Agency, and Lake County Buildings and Grounds to receive personal protective equipment (PPE) from the Strategic National Stockpile for distribution to occupational groups, as adapted by the Ohio Department of Health from
CDC’s Interim Updated Planning Guidance on Allocating and Targeting Pandemic Influenza Vaccine during an Influenza Pandemic.
