Situation Report

Incident COVID-19

Operational Period Dates: 6/10 - 6/12/2020
Times: 0800-0800

Reporting Unit Planning/Public Information

Form 04/09 ICS-209 Short/Modified

The following reports on activities for the period shown:

Current Situation
- Cumulative daily count: cases – 338; hospitalizations – 73; deaths – 12 (current status. Definitive cause of death can take weeks to determine.)

Health District Updates
- LCGHD operates the Lake County COVID-19 hotline (440-350-2188) and covid19@lcghd.org email inbox, and performs seven day per week contact tracing activities.
- Business owners may submit their questions about reopening to LCGHD at https://www.lcghd.org/2019-novel-coronavirus-ncov/. Business owners may expect a response within 48 hours of submission.
- LCGHD has received 1,268 complaints to date regarding local business compliance to government orders.
- LCGHD attended the Mayors and City Managers meeting.
- Submitted coronavirus safety language for the Lake County government’s phone system “on hold” message.
- LCGHD collaborated with Lake County Emergency Management Agency, and Lake County Buildings and Grounds to receive personal protective equipment (PPE) from the Strategic National Stockpile (SNS).

Governor DeWine held a press conference on June 11, 2020. Items discussed include:
- Anyone who wants a COVID-19 test may now receive one, even those who are low-risk or not showing symptoms. An interactive map of testing locations is available at: https://coronavirus.ohio.gov/wps/portal/gov/covid-19/testing-ch-centers/
  - Anyone that wants a test should speak with their healthcare provider or contact a testing location to arrange a test.
  - Pop-up testing will begin in Columbus tomorrow, and will soon be coming to Cincinnati, Cleveland, Dayton, Xenia, Portsmouth, Columbiana, Akron, and elsewhere.
- Ohio Department of Health (ODH) has created some suggested best practices for places of worship as they reopen. They are suggestions, not requirements.
  - Some of these suggested best practices include having families sit socially-distant from other families; encouraging members to wear face coverings, and eliminating the touching of common surfaces.

Our Mission: Working to prevent disease, promote health, and protect our community
• Ohio Department of Job and Family Services will receive an $8.5 million federal Employment Recovery National Dislocated Worker Grant to help reemploy individuals who lost jobs as a result of the COVID-19 pandemic, and to help employers rebuilding their workforces.
  o JobsOhio announced that 13 minority-owned businesses in Stark County will be participating in the London Stock Exchange’s ELITE Program.
• Dr. Amy Acton has stepped down as Director of ODH. She will now serve as Chief Health Advisor to Governor Mike DeWine.
  o Lance Himes, who served as a past ODH Interim Director, will again assume duties of Interim Director at ODH.

Planned Activities (next 24 – 72 hours)
• LCGHD will collaborate with Lake County Emergency Management Agency, and Lake County Buildings and Grounds to receive personal protective equipment (PPE) from the SNS.
