- LCGHD presented on COVID-19 at the Lake-Geauga Superintendents Retreat, as sponsored by the Educational Service Center of the Western Reserve.
- Ron Graham was interviewed by News 5 Cleveland.
- LCGHD collaborated with Lake County Central Purchasing and Lake County Buildings and Grounds to receive personal protective equipment (PPE) from the SNS earmarked for Federally Qualified Health Centers (FQHC).

Governor DeWine held a press conference on June 18, 2020. Items discussed include:

- Overall, Ohio is seeing downward trends in COVID-19, with the exception of Southwest Ohio:
  - Montgomery County
    - Increases in confirmed COVID-19 cases from May 25 to June 13
    - Driving has increased since pre-COVID-19 levels
    - High burden zip codes include 45424, 45417, and 45426
  - Green County
    - Increases in confirmed COVID-19 cases from June 2 to June 14
    - High burden zip codes include 45324 and 45385
  - Clark County
    - Increases in confirmed COVID-19 cases from June 13 to June 16

Our Mission: Working to prevent disease, promote health, and protect our community
Hotspot at the Dole plant and a nursing home
High burden zip codes include 45505, 45506, and 45503

- Warren County
  - Increases in confirmed COVID-19 cases from May 18 to June 8
  - High burden zip codes include 45505, 45506, and 45503

- Hamilton County
  - Increases in confirmed COVID-19 cases from June 3 to June 15
  - High burden zip codes include 45036 and 45040

- In order to address these spikes in Southwest Ohio, National Guard will be assisting with testing, in conjunction with the local hospital systems.
