Situation Report  
Incident COVID-19 Date: 6/24 - 6/26/2020 
Times: 0800-0800
Operational Period
Reporting Unit Planning/Public Information
Form 04/09 ICS-209 Short/Modified

The following reports on activities for the period shown:

**Current Situation**
- Cumulative daily count: cases – 390; hospitalizations – 79; deaths – 17 (current status. Definitive cause of death can take weeks to determine.)

**Health District Updates**
- LCGHD operates the Lake County COVID-19 hotline (440-350-2188) and [covid19@lcghd.org](mailto:covid19@lcghd.org) email inbox, and performs seven day per week contact tracing activities.
- LCGHD has received 1,393 complaints to date regarding local business compliance to government orders.
- LCGHD attended the Lake County Mayors and City Managers meeting.

Governor DeWine held a press conference on June 25, 2020. Items discussed include:
- As of June 23, a total of 17,091 COVID-19 tests were conducted.
  - The positivity rate is currently 5%.
  - Positivity rate data has been added to coronavirus.ohio.gov.
- Today’s COVID-19 case numbers indicate a considerable increase.
- The uptick in cases is being seen in the region around Hamilton County, including Butler and Clermont counties in Ohio.
  - The R0 has doubled during the past ten days in Hamilton County.
- While testing has increased, it is not believed that the increase in cases is completely due to testing.
- The average age of individuals contracting COVID-19 has decreased during the past few months.
  - Individuals testing positive are increasingly between 20 to 30 years of age.
  - Almost 60% of cases are between 20 and 49 years of age.
  - The average age of persons infected with COVID-19 in March was 51 years of age; to date in June, that age has decreased to 42 years of age.
- COVID-19 patients are also increasingly requiring hospitalization and intensive care.
- Walgreens has three new testing locations in Cleveland, Centerville, and Marietta. For location information, visit: [https://coronavirus.ohio.gov/wps/portal/gov/covid-19/testing-ch-centers/](https://coronavirus.ohio.gov/wps/portal/gov/covid-19/testing-ch-centers/)
  - Information regarding pop-up testing is available at coronavirus.ohio.gov.

Our Mission: Working to prevent disease, promote health, and protect our community
Planned Activities (next 24 – 72 hours)
- LCGHD will collaborate with Lake County Emergency Management Agency and Lake County Buildings and Grounds to receive personal protective equipment (PPE) from the Strategic National Stockpile (SNS).
